Do you work or volunteer with children?

You may now need a
Working with Children Check

The Working with Children Check is a new checking system that will affect many adults who work or volunteer in child-related industries. The new check is different from a police check and is continually monitored for new relevant offences and findings. It's another way we're protecting Victoria's children.

To find out how and when it affects you visit:

www.justice.vic.gov.au/workingwithchildren or call 1300 652 879.

Application forms can be collected and lodged at participating Australia Post outlets.
