INTRODUCTION

FOREWORD

The Victorian Aboriginal Community Services (VACSAL) understands the significant role that gatherings, such as family, community, cultural and sporting events have played in our Aboriginal community since time began.

VACSAL is a peak Aboriginal Community organisation delivering a range of government funded programs to support and assist children, young people and families as well as strengthening communities and culture.

These annual events have a productive impact on many levels of the Victorian Aboriginal society; the carnivals bring various communities from all over Victoria together in a highly valued cultural exchange. The gathering of so many Aboriginal families in the one place reinstalls kinship arrangements and the obligations associated with kinship. There are very few opportunities for the Aboriginal communities of Victorian to come together as nations to share common interest, to participate in sports and at the same time discuss issues affecting each community.

Providing an avenue for communities, families and individuals to be involved in a cultural meaningful activity is an established method of strengthening community. It promotes Aboriginal connections and awareness that impact on community safety.

VACSAL are pleased to have the support of the Aboriginal Health and Wellbeing branch of the Department of Health and Human Services. The notion of the carnival and their role fit nicely with their statement that “Health and wellbeing through sport, community connectedness and culture are integral to our people thriving.”

Dr Alf Bamblett worked tirelessly in our community over his lifetime to ensure that Aboriginal people had a voice, that we are participants and not just recipients. This Carnival is all about participation. Whilst we expect that each competitor will step up and bring their best, we also hope that each will value the experience of the competition and connection with kin and community.

This Carnival will always be a special event that has a very important place in the Aboriginal community throughout Victoria. “It’s not just about sport.” It is so much more to so many people.

VACSAL recognises that sports is a great vehicle to engage the Aboriginal community in promoting healthy lifestyles, addressing social disadvantage and strengthening cultural identity in order to create of a strong, healthy and vibrant community.

CODE OF CONDUCT

This policy is designed to promote to community members a respectful “Code of Conduct” during your participation at the VACSAL State-wide Junior Football Netball Carnival, conducted during October 2019 in Echuca.

The primary purpose of the Carnival is for the Aboriginal communities of Victoria to gather and participate in friendly competition in a healthy and culturally safe environment. This purpose serves to promote cultural ties, family participation, healthy lifestyle and showcasing our unique talents. It is also an opportunity for talent identification through AFL and Netball Victoria Pathways Programs. By Signing this form you are confirming that your team of which you are managing will adhere to the following guidelines.

CARNIVAL GUIDING PRINCIPLES

a) We remind you all that you are on traditional Aboriginal land; we ask that you acknowledge & respect country whilst you are in the area.

b) That you respect both Aboriginal and Non-Aboriginal community members. We ask that you treat the visit, as you would wish your community to be treated when communities come to your country.

c) Ensure a safe and healthy environment for all families, in particular young children and elders attending the carnival.

d) Respect the Venue and surrounding area which includes all their Signage.

e) Refrain from smoking in those areas where smoking is not permitted.

f) No alcohol or drugs are permitted at this event.

g) We encourage all drivers to drive safely and in a lawful manner at all times.

h) Communicate and co-operate fully with key community stakeholders to ensure the continued development and growth of the carnival and its aims.

i) Players and Spectators are to respect the Umpire’s decision.

j) Players and spectators are to respect opposition players.

k) Encourage the feeling of goodwill and sportsmanship towards all members participating in the carnival.

l) Respect for Officials

CARNIVAL MANAGEMENT

This VACSAL Carnival is being conducted under the control of the appointed Organising Committee who shall have the power to determine any matter not specifically provided for in these guidelines and rules.

The VACSAL State Wide Junior Carnivals are development program for the best available junior Aboriginal and Torres Strait Islander players within the state of Victoria. Whilst each team will strive to win their respective matches and then their respective Grand Final, the emphasis for each team should be to develop their players and that all players and officials enjoy their experience.

The Carnival forms part of the talent identification pathway and many of the best players from across the state have made their mark in this Carnival.

On behalf of the organising committee, all Team Officials are to be thanked and congratulated for giving up their time to assist the players in their sporting endeavors.

Do you work or volunteer with children?

You may now need a Working with Children Check

The Working with Children Check is a new checking system that will affect many adults who work or volunteer in child-related industries. The new check is different from a police check and is continually monitored for new relevant offences and findings. It's another way we're protecting Victoria's children.

To find out how and when it affects you visit:
www.justice.vic.gov.au/workingwithchildren or call 1300 652 879.

Application forms can be collected and lodged at participating Australia Post outlets.
